

At the Scottish Institute of Sport our clear focus is on preparing Scotland's best athletes to perform on the world stage. We provide high performance expertise to sport and athletes in Scotland.

As the high performance arm of **sportscotland** the Institute is working with our partners to build greater success for Scottish sport. Our expert teams of service providers work together to manage and deliver cutting edge programmes in coaching, programme planning, sports medicine, sports science, strength and conditioning, and lifestyle guidance.

We embrace a culture of winning and strive to create a high performance learning environment where innovation can thrive.

The Performance Lifestyle programme provides integrated lifestyle management, career planning, education guidance and personal development for athletes. We are looking to extend the existing Performance Lifestyle programme staff to include a Lifestyle Area Coordinator for Central Scotland Institute of Sport, Tayside and Fife Institute of Sport and the Scottish Institute of Sport.
