The symptoms aren't always easy to spot, but the effects can stay with a person for life. Which is where you come in. You have a full-blown passion for sport and we want you to infect as many people as possible with it. How? Through hands-on coaching and co-ordination of a comprehensive after school sport and physical activity programme. So if you're organised, self-motivated and an excellent communicator with relevant experience and qualifications, please get in touch. On offer is a competitive salary, great training, generous holidays and pension plus free use of our leisure facilities.
